PREGNANCY
SUPPORT
SERVICES

Finding out about an
unplanned pregnancy can be
confusing and frightening!

We're here to help.

You may not know where you can
go for help or in whom you can con-
fide. You're faced with choices that
have no easy answers. You need to
know you have someone who cares and
somewhere you can go for help.

At

Alpha Pregnancy Support Services

we listen, we understand and we can help.

We're someone you can talk to, someone
you can trust, someone who will provide
the emotional support and assistance you
need during a difficult time.

We can help you explore your options so
you won't be making difficult decisions
alone.

If you aren't sure you're pregnant, we
have a free pregnancy test. Everything is
kept completely confidential.

We also need volunteers!
